

DECLARATION

**The Module Manufacturer,
Changzhou EGing Photovoltaic Technology Co. Ltd.**

**Dear customer,
SRS – Solar Roof Systems GmbH
Energiepark 10-14, 91732 Merkendorf
Tel.: +49 9826 65 855-11
Fax: +49 9826 65 855-29**

We, Changzhou Eging Photovoltaic Technology Co. Ltd. (herein after referred as "EGing PV") hereby declare that the antireflective (AR) glasses we used have gone through a coating process such that an AR layer is added to enhance the transmittance. Therefore more light can reach on the cell surface. EGing PV has confirmed that the reflectivity of AR-coated solar modules is about 4% or lower. All Eging modules are produced with high quality standards.

Best regards
